IN LOVING MEMORY

“My name is Bill Boddy and nearly 30 years ago, tragedy started me on the most meaningful journey of my life. The improbable outcome of that odyssey is housed in a little white building hidden in the back of Sunset Park, but don’t let the unassuming bopadc fool you…inside that building lies the return of hope, the realization of dreams, and the means for a better quality of life for the thousands of people with disabilities who have found their door to the last 30 years, and, Gee whiz, many more years to come.”

Challenge Center Founder, William E. Boddy 1945 - 2017

COMEDY NIGHT PROCEEDS SUPPORT THE CHALLENGE CENTER SCHOLARSHIP FUND
Your Support Will Transform Lives!

Each year, Challenge Center provides more than 14,000 hours of transformative therapeutic services to people of all ages with severe mobility disorders and their families. Your support ensures that Challenge Center clients in need continue to receive the physical therapy necessary to regain their independence, the assistive fitness services required to maintain good health, and the positive environment to restore their spirits…even long after their health insurance coverage for these services has ended.

Challenge Center’s Scholarship Fund subsidizes this care for low income and underinsured/uninsured individuals, and those who have exhausted their insurance coverage.

But we can’t do it without your help!

“...In 2014, I woke up after a nightmare as a paragraph. I was told I would never walk again and my insurance ended. I was devastated. I lost all hope. Then I heard Challenge Center. After 6 months, I am walking assisted with a walker and am overwhelmed by the living I am now receiving. My life is renewed and I see that dreams can come true.”
